We envision a better tomorrow for our community

United Way of Johnson County can receive additional funding this year through UnitedIN2018 offered by the Indiana United Ways, funded by Lilly Endowment. A portion of the grant dollars will provide the following:

NO PLACE TO CALL HOME

Over the next two years, the grant dollars will be used to help our families who have no place to call home. A United Way program, No Place to Call Home provides a coordinated entry point into the social service system for the homeless or near-homeless clients. The purpose of the program is enroll individuals into case management and help get the resources they need to be stably housed. Specifically the dollars will be used for coordination of the program.

In order for gifts to qualify for matching funds, one or more of the following must apply:

JOHNSON LEADERSHIP CIRCLE: Any new leadership member gift will be matched dollar for dollar. Increased contributions will be matched for Leadership Circle members who move up a level or increase their contribution by 5 percent.

EMPLOYEE CAMPAIGNS: New campaigns will be matched dollar for dollar. Existing employee campaigns that increase by at least 5 percent will qualify for a match for every new dollar.

CORPORATE GIVING: New corporate gifts will be matched dollar for dollar. Corporate gifts that increase at least 5 percent will have their new dollars matched (minimum \$100 contribution required).
