

United Way of Johnson County

WE NEED YOU *Now More Than Ever!*

These are uncharted times for all of us

We are determined to serve clients with vital community programs during this crisis and long after.

Now More Than Ever!

- Children and families need the sense of normalcy provided by programs offered by youth serving agencies.

Now More Than Ever!

- Services are needed to help those trying to escape domestic violence.

Now More Than Ever!

- Johnson County residents need somewhere to turn when faced with a housing crisis.

Now More Than Ever!

- Life-line services are needed to help families when a financial, medical, personal or natural disaster strikes.

Now More Than Ever!

- Transportation services are essential so individuals can get to jobs and medical appointments.

Now More Than Ever!

- Senior services are critical to reach out to our seniors who are so isolated and lonely throughout this pandemic.

Our Mission: To organize caring people to identify and meet human needs in our community.
